

The Stress Container

Stress flows into your container
Vulnerability is defined by the size of the container

HELPFUL COPING STRATEGIES

The tap will work and
reduce levels of stress

UNHELPFUL COPING STRATEGIES

The tap will be blocked
and stress will overflow

How do you manage stress?

What helpful coping strategies do you use in times of stress?

What unhelpful coping strategies do you use in times of stress?

What typically happens when your stress container overflows?
